ROANOKE TAKES TWO IN DOUBLE-HEADER

Lynchburg Is Unable to Bat Touchstone and Reynolds With Men On.

RESULTS NEVER IN DOUBT

Moser Hit Hard in First Game, and Vernuelle Little Better in Second.

| Special to The Times-Dispatch. |
| ROANOKE, VA. September 7.—The leaders had but little trouble taking the two games of the double-header with Lynchburg this afternoon, the first by a score of 5 to 2 and the second by 3 to 0.

Heavy stickwork by the locals figured in both contests, and the visitors made the locals feel uneasy at no stage of the game. Touchstone, who worked in the first game for the locals, was there in every way, having two hits, one out and ten assists to his credit. Moser was touched up to the tune of eleven hits, and they came at times when runs regulted.

The second game started off in a rush with Reynolds and Vernuelle opposing each other. The Tigers landed on Lee in the third, and with a total of four hits sent three men over, which were sufficient to win. The teams were full of ginger, and both games were full of ginger, and both games were fast and interesting. The scores; pirkst GAME.

DOUBLE-HEADER IS FIXED FOR TO-DAY

Revelle Will Pitch First, and Waymack Will Do Honors in Second.

Just when it seemed that weather conditions would not interfere with the game scheduled between Richmond

conditions would not interfere with the game scheduled between Richmond and Danville yesterday, a slow rain began to fall, and about three minutes before the time for batting practice to begin Umpire Pender announced that there would be nothing doing in the baseball line on Broad Street field. About 200 persons journeyed out to be sure, but they were turned down at the gate, and the announcement was made that a double-header will be played this afternoon.

The first game will start at 2:30 o'clock and the second will begin about fifteen minutes after it is finished. Revelle has been picked to pitch the first game for the Coits, and in order that everybody may see him work, Manager Lipe has announced that Waymack will be in for the second game. Morrissey and Mayberry will probably work for Danville. If the locals take one of the contests there will scarcely be any chance of their losing third place in the pennant race.

At the regular monthly meeting of the Henrico County Board of Supervisors, held yesterday at noon, the opening of a new road beginning at the Darbytown road and going through to the Charles City road, neaf Hill Carters store, was authorized. The road will be opened at once.

Supervisor Grant reported that the experiments with saphalt oil on the Three Crop and Ridge roads and a part of the Cary Street road had so far proved very satisfactory. The entire distance oiled is a little less than nine miles. A full report on the result cannot be made until after the winter weather sets in.

The board also inspected the county jail, and found it in excellent condition, Deputy Sherin W. W. Sydnor, who has the jail in charge, was highly complimented by the chairman, who said it was the best conducted institution of the kind that he had ever inspected.

IS CURED AND CALLS CUTICURA WORLD'S BEST

"Three years ago, while a conductor, I was poisoned from the brass railing on the cars. I contracted salt-rheum or eczema on my hand. In wiping the perspiration from my face, I poisoned my nose and chin and was unable to shave. I had to give up my position and was treated by specialists, but to no avail. I tried every remedy I was told of and took so much medicine that I felt like a walking drug shop. The doctors could only relieve me for a little while.

"One day I chanced to see a Cuticurs advertisement and thought I would try the Cuticura Remedies, but I had no faith at the time as I had been deceived by so many so-called 'cures'. After three applications of Cuticura Ointment, the itching ceased and after using two boxes I was completely cured and shaving does not interfere with it whatever. My nose is as clear as ever and I am now a well man both in body and mind. I consider the Cuticura Remedies to be the best in the world and I trust some poor sufferer will see this and be benefited thereby.

"I used Cuticura Soap, Ointment and Pills. I can also say the suffering was intense. It itched and burned so that it was impossible to sleep but thanks to the wonderful Cuticura Remedies I am now well. I enclose my photograph which you may publish. Harold Ayers, 783 Jefferson Ave., Brooklyn, N. Y., Dec. 7 and 19, 1908."

For eczemas, rashes, itchings, irritations, inflammations and other unwholesome conditions of the skin and scalp and for the prevention of the same, as well as for the sanative, antiseptic cleansing of ulcerated, inflamed mucous surfaces and other uses which readily suggest themselves to women, Cuticura Sonap and Cuticura Ointment, assisted when necessary by Cuticura Resolvent, are indispensable.
